

**Through your support, Kellie is a child of growing abilities, not limiting disabilities.**

*“Kellie’s face lights up when we just mention the horses, and she is much more calm when she is around them. Therapeutic Riding has improved her posture, strength, and flexibility.”*

*“I’m glad we have been given this opportunity. This experience has been wonderful.”*

**YES.** I want to make a donation that will last a lifetime for someone in my community with special needs.
