

Sponsorship Opportunities

Your Support Matters

Our clients describe our campus as their "happy place", their gym, their playground, and their adventure. Whether they're in the arena or outdoors on 23 acres of fields and trails, they are able to socialize, rise above their limitations, stand tall with friends, and make lasting life strides. Your support means many miraculous moments and life-changing gains for over 180 families each week.

For over fourteen years LifeStriders has transformed the lives of thousands of people with special needs through nature-based therapies. Children, adults, senior citizens, veterans and their families experience emotional and physical benefits through Therapeutic Riding, Social Skills groups, Occupational and Physical Therapy, At-Risk Youth programs, No-Cost Veteran's programming, Counseling services, Alzheimer's Prevention and Senior Enhancement groups.
